

HELIX DESIGN
BECAUSE INNOVATION MATTERS

SNEAK PEEK

MUSE IS SOLIDSCAPE'S NEW HIGH-PRECISION 3D WAX PRINTER FOR CUSTOM JEWELERS

PROJECT OBJECTIVE

- Collaborate with Solidscape on a compact and streamlined form to appeal to custom jewelers
- Develop a design to suit the target market, while accommodating spatial limitations and individual user needs

HELIXONE APPROACH

- Develop multiple design concepts
- Concept refinement
- Volumetric foam model
- 3D CAD geometry
- Verification prototype
- Production CAD and 2D drawings
- Injection molder liaising
